Subject to the shareholders' approval of the 2021 compensation policy, an additional payment will be made after the Annual Shareholders' Meeting, to reach the gross annual amount of €1,250,000 for the reference period which runs from January 1, 2021 to the date of the Annual Shareholders' Meeting.

The structure and underlying objectives of the variable portion, the long-term compensation and all other compensation components will be decided by the Board of Directors at its meeting on March 11, 2021 as part of the 2021 compensation policy, which will then be submitted for the shareholders' approval.

Pursuant to Article L. 22-10-8 of the French Commercial Code, the compensation policy for corporate officers will be subject to the approval of the next Annual General Meeting and will be presented in the Universal Registration Document, which will be published on the Group's website, in Chapter 2, Report on Corporate Governance, in the "Compensation and Benefits" section.
